Coronavirus

We currently do not have any confirmed cases in the school. We are however, continually receiving guidance from the Government and will keep you informed of any developments.

If you have any concerns and for further guidance please access the NHS website <https://www.nhs.uk/conditions/coronavirus-covid-19/> or call 111.

Parents Evening

I was delighted to see so many parents attend Parents Evening. If you were unable to attend, please speak to your child's class teacher to make a separate appointment to see them.

Parents Approaching Other Parents

Sadly I have had to hold meetings after experiencing parents approaching other parents and shouting at each other on the school grounds and in front of the children.

If this behaviour continues these parents will be prevented from entering the school premises.

Headteacher's Surgery

If you would like to discuss any school related matters with me, I will be holding an open surgery every Thursday afternoon. Please contact the office to make an appointment.

Yours sincerely,
