Dear Parents

Covid 19

We are aware there have been some confirmed cases of Covid 19 in another local school. However, I can confirm that we have not had any confirmed cases of Covid 19 at Oakwood. We are following strict guidelines in order to keep the school community safe and reduce spread and would ask parents/carers to continue to follow all the measures that have been put in place. Additionally, to ensure safety and to reduce risk of infection, could you please ask your children to stay off the play equipment. **When you are entering the school or are on the school grounds, please ensure you social distance by 2 metres.** Thank you for your support.

Colds

If your child has a cold but is not presenting a temperature, they should still be in school. If your child has a temperature of 37.8 degrees, your whole family need to self-isolate for 14 days in accordance with NHS guidelines.

- All children must come to school with a water bottle. Please ensure they only contain water and not juice or other drinks.

- All children need to have a PE kit in school.
- Please ensure all clothes, bags and PE kits are clearly labelled.

SATS—Year 2

Year 2 children will be sitting their SATS in the week 15th-19th May 2021.

Reception Year

To support your child's progress in Early Years, please can you work with them on developing their independent skills, ie getting dressed, washing, brushing hair and putting on shoes. Thank you for your support.

Lost Learning

Due to the lost learning during lockdown each year group will be targeting children to ensure they are making expected progress. Your child may attend additional intervention classes to ensure this progress is achieved.

Friends of Oakwood

Friends of Oakwood would like to apologise for the limited communication in these unprecedented times. They are however, working very hard behind the scenes to provide exciting future events and continue their fundraising when guidelines permit them to do so.

Attendance

| Year | Last Week | This Week |
